

## **Announcement & Call for Abstracts**

American Society of Nepalese Engineers (ASNEng) invites you to participate in the

### **ASNEng Technical Session at ANMA/NASeA Convention 2010**

#### **Session Theme:**

**“Engineering and Science for a Better Tomorrow”**

**Date:** September 05, 2010

**Venue:** Hilton, 369 West Vine Street, Lexington, KY 40507

**Abstracts Due date: August 20, 2010**

Engineers, scientists and others from closely related disciplines will gather at the session to discuss on the recent developments in engineering, science and practice and their impacts in technological, social and economic growth for tomorrow. The technical session will be held at the venue of the 2010 Joint Convention of Association of Nepalese in Midwest America (ANMA) and Nepalese Association of Southeast America (NASeA), September 03-05, 2010

*You are cordially invited to submit abstract for technical presentation at the ASNEng session. The presentation topic can be on any engineering and scientific topics, including but limited to the following:*

- Earthquake Preparedness & Disaster Relief in Nepal
- Engineering Problems and Solutions in Developing Countries like Nepal
- Application of scientific/engineering technologies into practice (Technology transfer)
- Sustainability, Alternative/Renewable Energy, Clean-Technology
- Information Technology and Its Role in the Society
- Robust Design and Construction Practices
- Recent Advances in Research & Development in Engineering and Technology

**Abstract Submission:** All who wish to present their work at the ASNEng Technical Session must submit an abstract of about 300 words by **August 20, 2010** to one of the following organizers:

Bishnu Phuyal, Ph.D., Member, Board of Directors, ASNEng/ E-mail: [bishnu.phuyal@navteq.com](mailto:bishnu.phuyal@navteq.com)

Prakash B. Malla, Ph.D., Member, Board of Directors, ASNEng / E-Mail: [MallaP@bellsouth.net](mailto:MallaP@bellsouth.net)

Ramesh B. Malla, Ph.D. , President, ASNEng/ E-mail: [MallaR@engr.uconn.edu](mailto:MallaR@engr.uconn.edu)

The abstract should include: Title of the presentation, each author's name, affiliation, address including e-mail address, telephone number, followed by approximately 300 words of text briefly describing the objective of the paper/presentation, methodology, application, results, and conclusions. The abstract must not exceed one page.

Visit: <http://www.ASNEng.org> for more information on ASNEng and its activities.

Visit: <http://www.jointconvention.org> for more detail on the ANMA/NASeA Joint Convention and registration.

## **Preliminary Program Schedule**

### **Sunday, Sept. 5, 2010**

4:00 PM - 4:15 PM: Introduction of ASNEng

4:15 PM – 5:00 PM: Technical Session “Engineering and Science for a Better Tomorrow”
