Notice!

DC Chapter is organizing a FREE Continuing Class for Professional Engineers

Dear Community Members,

It is our pleasure to announce that DC Chapter of American Society of Nepalese Engineers is organizing a Professional Engineer's Continuing Education Class on February 23, 2013. The classes are good for state of Maryland and Virginia. Two CEU credits can be earned from this class. Civil Engineers may take credit of this class during their Professional Engineer's License renewal. The class is free of charge. It will be held on the following location and time:

Location: George Mason Regional Library
7001 Little River Turnpike, Annandale, VA

Room: George Mason Meeting Room

Date: February 23, 2013

Time: 10:00 am

Presenter: Tim Edwards, P.E.

Affiliation: Advance Drainage System

Presentation Topic: Pipe Laying

We have limited seats available; please contact us to register for the class ASAP to secure your seat. You may forward this email to those who are interested in taking this class.

Please do not hesitate to contact us if you have any questions

The Greater Washington DC Chapter
of The American Society of Nepalese Engineer
(GWDC-ASNEng)

**American Society of
Nepalese Engineers**
(ASNEng) - a non-profit
organization with IRS
501(c)(3) tax exempt status -
aims at providing a platform
for Nepalese, and their friends,
in engineering and closely
related scientific and technical
areas to come together,
exchange ideas, and support
each other for their and the
larger society's common good.
The Society also strives at
promoting engineering and
technological advancement in
Nepal.
