

Let's Unite Together to Help Earthquake Victims and Build Nepal

(Photo Courtesy: My Nepal TV (mntv)- Australia: All Uniting Together to Help Victims)

Nepal and Nepalese people are in a dire need of help at this hour as a result of the devastating earthquake of Richter scale magnitude 7.9 on April 25, 2015. Reports of major damages have been flowing in from central part of Nepal and Kathmandu valley. The toll on people both in terms of life lost and suffering will continue to rise with the passage of time. In these hours of extreme difficulties, American Society of Nepalese Engineers (ASNEng) wants to assist Nepal in any way and by any means possible.

American Society of Nepalese Engineers (ASNEng) plans to support the earthquake victims in two phases. In the first phase, the Society will provide monetary support to the victims of the earthquake disaster. In the Second Phase, the Society will provide technical support and financial support directly in Nepal pending the availability of funds. Your donation for Nepal Earthquake Disaster Relief Fund of ASNEng can be contributed via PayPal. <http://www.asnengr.org/donation>

We want to thank you in advance for your kind support. We want to assure you that the donations will be utilized in a proper and transparent ways as per the short-term and long term goals of the disaster relief program adopted by the Society.

Please contact us at 410-350-6009 or email us at info@asnengr.org if you have any questions.

Sincerely,
American Society of Nepalese Engineers (ASNEng)

American Society of Nepalese Engineers (ASNEng) - a non-profit organization with IRS 501(c)(3) tax exempt status (EIN: 26-1355857) – aims at providing a platform for Nepalese, and their friends, in engineering and closely related scientific and technical areas to come together, exchange ideas, and support each other for their and the larger society's common good. The Society also strives at promoting engineering and technological advancement in Nepal
