<http://www.ASNEng.org>**Press Release****Merit Awards for Students - Year 2015**

American Society of Nepalese Engineers (ASNEng) is pleased to announce that the following students from 3 different universities in Nepal have been selected for its Student Merit Awards for year 2015 in recognition of their outstanding academic achievements. This is an award that is given to the top ranked students in the entrance examination administered by various universities in Nepal for undergraduate (bachelors) degree admission in any engineering fields. Each award recipient will receive \$200 to support his/her academic related expenses.

In addition, since the year 2014, ASNEng has been providing a merit award to a female engineering student determined most meritorious and deserving among the top ranked female students in the entrance examinations of the various universities who respond to the Call for Nomination for the ASNEng awards.
