18. Representative from ASNEng Technical Committee (TBD)
19. Representative from ASNEng Technical Committee (TBD)

Contributing members from Nepal and other countries:

1. Er. Ratneshwar L Karna (NEA Regional Rep-Retired Nepal Govt River Training and Flood info from Province 2)
2. Er. Uma Shankar Sah (Ex VP of NEA - Director Nepal Govt, Flood Info from Nepal Govt and Province 2 Govt.)
3. Er. Mandira Singh Shrestha (ICIMOD Expert on Flood Risk Evaluation of Nepal)
4. Dr. Krishna Chandra P Sah (Nepal Terai Flood Condition, Associated with NGO Nepal)
5. Dr. Sanjay Giri (Hydraulic Dynamics Study, Academia, Consulting, extensive experience in Nepal, Deltares, The Netherlands)
6. Dr. Raghunath Jha (Water Resources and Flood Management, GIS in Nepal)
7. Dr. Surendra Rauniyar (Metrology, Melbourne, Australia)
8. Ashrika Sharma (Nepal Experience, Asian Institute of Technology, Bangkok, Research Scholar- Disaster Management, third world countries Flood Disaster Management)

Note: The names presented above are tentative and are subject to modification (addition or deletion) by the Committee chair in consultation with the committee as needed or as felt necessary to complete the task. The names were prepared based on their interest to contribute on this paper. However, it has been realized that few have desired to be opted out and some have not shown interest or contributed so far as was committed and expected. These names are still reflected in this list. The final list of contributing members will be based on the participation received as we go along for the preparation of this position paper.
