

Merit Awards for Students

Application Guidelines and Criteria

The American Society of Nepalese Engineers (ASNEng) calls for applications for the 2022 Merit Awards for Students. This scholarship provides a one-time \$500 award for up to five applicants. Out of these five awards, one will be awarded to a female applicant. To qualify for this award, an applicant must meet the eligibility criteria and qualification requirements. The information provided during the applications will be used by the ASNEng's Awards, Grants, and Scholarships (AGS) Committee for the application review and award selection process. The ASNEng AGS committee may verify the authenticity of the information/documents submitted and may also request additional information or documents if needed. ASNEng reserves the right to accept or decline an application. Please visit ASNEng's official website [[link](#)] for more information on the Awards, Grants, and Scholarship programs of the Society.

Eligibility criteria:

- The applicant must be enrolled in their freshman (1st) year of an undergraduate (bachelor's degree) program in an accredited engineering/science college or university in Nepal.
- The applicant must be an individual of Nepalese origin/descent/heritage and submit a copy of a certified document reflecting that. The document may include Nepalese citizenship, birth certificate, or Nepali passport (photo page) of themselves or their parents.
- The applicant must have achieved a G.P.A. of 3.0 or higher in S.E.E. and H.S.E.B. or an equivalent high-school program.

Requirements:

- Document reflecting the proof of Nepalese origin/descent/heritage.
- Document reflecting the proof if applicant completed SEE or high-school from public school, if applicable.
- Personal essay (maximum 500 words) describing their needs, interest and motivation for applying, explaining how these relate to applicant's future career goals and plans.
- Complete and signed application form (attached with this document).

All application materials must be submitted as a single pdf file to awardschairasnengr@gmail.com by **June 20, 2022**.

American Society of Nepalese Engineers (ASNEng) - a non-profit organization established in September 2007 with IRS 501(c) (3) tax-exempt status – aims at providing a common platform for people of Nepalese background and their friends in engineering and closely related scientific and technical areas to come together, exchange ideas, and support each other for their and the larger Society's common good and benefits. It operates for engineering, scientific and technological research, and educational purposes. The Society also strives to promote engineering, scientific, and technical advancement in Nepal.
