Subject: Invitation to Submit Abstracts for ASNEng's 17th Annual Conference 2024

Dear Esteemed Colleagues,

We are pleased to announce that the American Society of Nepalese Engineers (ASNEng) is organizing its 17th annual conference on August 10th, 2024, in Charlotte, NC. The theme of the 17th annual conference is "Bridging the Gap: Engineering, Science, and Technology for Global Progress". This conference aims to bring together scientists, researchers, engineers, educators, policymakers, and industry experts to share their innovative ideas, research findings, and best practices on various topics related to science and technology.

We invite you to be part of this exciting conference and share your expertise on any of the following sub-topics:

- Artificial Intelligence and Information Technology
- Smart Infrastructure
- Automation
- Energy Efficiency
- Renewable & Sustainable Energy Technology
- Transportation
- Fintech
- Agricultural Technology
- Natural Resources Management
- Materials Science & Manufacturing Technology
- Healthcare Technology
- Disaster Management
- Organizational Management

We invite you to submit a one-page abstract on any of the above sub-topics by **May 22, 2024**. Our expert committee will review all submitted abstracts, and selected authors will be invited to present their work at the conference. Your contribution will be of great value to this conference, and we look forward to your active participation.

We encourage you to register for the conference and join us for an informative and stimulating day of exchanging ideas, networking, and knowledge sharing. For more information on the conference, registration, and abstract submission, please visit our website or contact us at info@ASNEng.org.

Thank you for considering our invitation, and we look forward to hearing from you.

Sincerely,

Om Dahal, PhD, PE, Chair-Technical,
Rabin Dhakal, PhD, Co-chair -Technical
