Subject: Call for Abstract Submissions: ASNEngr 18th Annual Conference 2025

Dear Respected Colleagues,

We are pleased to announce that the American Society of Nepalese Engineers (ASNEngr) will host its 18th Annual Conference on **August 9, 2025, at the LaGuardia Plaza Hotel, 104-04 Ditmars Blvd, East Elmhurst, New York, NY 11369**. The theme of this year's conference is **"Advancing the Future Through Equitable Engineering, Entrepreneurship, and Emerging Technologies"**.

This event will bring together society members, scientists, engineers, researchers, educators, policymakers, information technologists and entrepreneurs to share groundbreaking ideas, research, and best practices across a wide range of science and technology.

We warmly invite you to contribute to this dynamic conference by submitting an one-page abstract on one of the following subtopics by **May 30, 2025**:

- Artificial Intelligence, Generative AI and Quantum Computing
- Smart Infrastructure
- Automation
- Sustainability and Energy Efficiency
- Renewable & Sustainable Energy Technologies
- Transportation
- Fintech
- Agricultural Technology
- Natural Resources Management
- Materials Science & Manufacturing Technology
- Healthcare Technology
- Disaster Management
- Organizational Management

The Technical Committee will review the abstracts, and inform the selected author to present her/his work at the Conference. We also encourage you to register for the conference and join us for a day filled with informative discussions, network opportunities, and knowledge exchange. For further information of registration, abstract submission, and the conference agenda, please visit our website at asnengr.org or reach out to us at asneconference@gmail.com.

Sincerely yours,
